Subject: [VIDEO Inside] Every time a bell rings...

Remember that line from “It’s a Wonderful Life” – “every time a bell rings an angel gets his wings”? What I recall is that immediately afterwards, Nick the bartender starts ringing that cash register like crazy, saying “Get me, I’m givin’ out wings!”

Cha-Ching!

Now THAT’S a sound made in heaven. Speaking of which, I just wanted to let you know “The Jewel” Mike Stodola and I have just released a NEW Video that will reveal a shortcut to making more DEE-Nero with every sale you close. The title is:

"Upsells: A Powerful, SIMPLE Way to Bring In Extra Revenue"

[\(Click Here to Watch the Video.\)](#)

It'll only take a few minutes to watch and I promise you'll discover at least 3 strategies you can use right now in your business to bring in more money every time that cash register rings.

I've got one more video coming your way tomorrow, so make sure to keep an eye out for that too.

BTW – make sure you've cleared your calendar for the LIVECAST Dan and I will be doing on WEDNESDAY, July 1st from 11AM to 3PM Eastern – if you like what you see in these short videos, I guarantee what we'll reveal then will blow you away.

"Kick butt, make mucho DEE-nero!"

A handwritten signature in black ink, appearing to read 'DDK' or similar, with a stylized, cursive style.
