Subject: Life's Easy When You Have All 43 Secrets

I don't deny that right now, life's pretty good for me.

Sure, I have racehorses to feed and classic automobiles like Dean Martin's 1986 Rolls Royce to keep in peak working condition. But over my many years as a devoted student of the marketing craft, I've found ways to overcome these and other pesky life challenges.

In fact, I've found 43 ways... or secrets to be more precise. And you can have all 43 working on your behalf to your benefit as well when you grab a copy of my new program: [***"43 Secrets: How to Use The Greatest Moments In Advertising To Drive Your Marketing To The Next Level"***](#).

Best,

P.S: Look, the problem today is that most advertising is BORING – it fails to engage, enlighten, or persuade.

Typically, it's an excuse to run to the refrigerator for a fresh beverage or a cold sandwich.

But rather than stuffing their face, wouldn't you rather have your prospect fully engaged in stuffing your bank account?

The key to making this happen lies in the power of these 43 secrets I've carefully compiled, documented, and explained in utmost detail in this ground-breaking program. You won't find them anywhere else – to recreate this on your own would require decades if not more.

Why not instead take advantage of the blood, sweat, and toil I've already invested in this effort?
