Subject: WONDERING: "Is this really for me?"

In less than 24 hours I'll be doing a LIVE training session on how to sell your business **for Mucho DEE-Nero** with my friend, "the \$10 Million Dollar Man" Walter Bergeron entitled:

["The Exit Strategy Master Plan"](#)

It takes place tomorrow, Thursday, June 18th at 12PM Eastern. So if you haven't already done so, you should sign up and save your spot now:

Now you might be wondering...

"I've Never Really Thought About Selling My Business ... So Is This Really for Me?" Amigo, this training session is right for you even if your business isn't even making a profit today. Or not even growing today. Or not necessarily the size you think it's worth. Walter will reveal the steps you can take to sell your business – no matter where it is today – at the high value level you want to sell it at.

During this training, you will discover:
how to determine the BEST buyer for
our business
with the resources, business savvy, and
motivation to act decisively
and quickly.

Here to find qualified buyers you'll be
surprised to
find out the one often hidden in plain sight and
you
could easily overlook the entire lot.

- **Uncovering your company's most valuable strategic assets...** your P&L statement may actually be the WORST place to start looking! Key roles that you MUST have in place on your "sell the business" team – exactly who you need.
- Secrets to creating powerful business operating systems you can rely on today AND that serve as **an irresistible money-magnet for potential investors hungry for acquisitions.**
- And MUCH MUCH More besides!

[Click Here to Save Your Spot!](#) We're only 24 hours away from FREE training on a topic that NOBODY else is covering – revelations that could seriously transform your life and the lives of those you love for the better.

This should be a no-brainer. Sign up now before the last seats are gone.

"Kick Butt, Make Mucho DEE-Nero!"

Dave Dee, GKIC

P.S. Look - even if you've never really considered selling out, the bottom line reality is that YOU and YOUR business will someday part company – it's INEVITABLE. So why not set it up for sale at TOP VALUE when that day does arrive? And why not do so based on the experience and wisdom from someone who's done it RIGHT and is willing to share his secrets in doing so?

It just makes good sense. See you there!
