Subject: [BREAKING NEWS] Finally - How to Sell Your Business for SERIOUS Change

If you own a business and would someday like to sell it for a huge payday, then I have very good news...

This coming Thursday, June 18th at 12PM Eastern, I'll be joined by GKIC Marketer of the Year **Walter Bergeron** for a very special, one-time training where he'll lay out the specific steps you can take to sell your business for huge dollars (even if it's not even making a profit today!)

Best of all this LIVE webinar training is FREE. We're calling it:

"The Exit Strategy Master Plan" And THIS is a subject where Walter REALLY knows his stuff. You're going to find out exactly what he did to sell his electronics repair business for a cool \$10 Million Dollars. Here's just the smallest taste of what you'll discover during this LIVE, 90 Minute in-depth training:

- **How to determine the VERY BEST buyer for your business... with the resources, business savvy, and motivation to act decisively and quickly.**
- **Where to find qualified buyers** – you'll be surprised to find out they're often hidden in plain sight and you could easily overlook them entirely.
- **Uncovering your company's most valuable strategic assets...** your P&L

- place to start looking!
- Key roles that you MUST have in place on your “sell the business” team – exactly who you need.
 - Secrets to creating powerful business operating systems you can rely on today AND that serve as **an irresistible money-magnet for potential investors hungry for acquisitions.**
