Subject: Access to Forbidden Stuff...

I tried to stop them.

Over the years I've attended MORE than my share of events, conferences, trainings, masterminds, what-have-you, you name it.

And I've seen the word "forbidden" tossed around a lot in associated marketing hoopla.

But what you'll see on THIS video probably shouldn't have been sent out to the masses - ESPECIALLY at NO-Charge:

It's Dave Dee's LIVE presentation from the 2014 SuperConferenceSM entitled:

**“The Forbidden Secrets Of Persuasion:
Personal Magnetism
And Mind Control Unleashed.”**

Not only is it packed with VALUABLE content (which is why the fact that GKIC's simply giving this away for zilch baffles me), it's just FUN. Dave's not only whip-smart, he's a hoot to watch as well. "Forbidden" gems you'll take away include:

- **The difference between persuasion and manipulation... and why that matters to your ability to consistently sell effectively.**
- How to use language to influence and persuade - words and combinations of words that actually work like MAGIC to move your prospects from one state of mind to another.
- **Quick Hitter strategies that you can take and use INSTANTLY to massively increase your ability to close deals like never before.**
- Three KILLER Questions you need to ask about your IDEAL PROSPECT before starting every marketing and sales campaign.
- **The "Letter" that you will write that will PROFOUNDLY transform how you think about your customers and enable you to get inside their heads in a way that you never imagined possible (*plus it'll give you ammo for an SUPERB and UNIQUE Marketing Asset!*)**
- Dave's step-by-step FORMULA for overcoming objections... don't ever get caught flat-footed and off-guard in a sales meeting again!
- **"The Elegant Objection Eliminator"** - this sneaky strategy makes it easy to overcome sales objections in a positive way that actually strengthens your case.
- How to create a "Confidence Anchor" that generates Confidence and Power literally ON-DEMAND whenever you need it.

Plus a bevy of other powerful takeaways to boot.

You'll probably want to watch it at least twice – there's that much value to be had.

But set aside time to do so soon – this video goes back in the GKIC treasure chest TOMORROW, April 2nd at 12 MIDNIGHT Eastern time.

Don't dawdle. Grab a look-see before you lose out.

Best,

Dan Kennedy, GKIC

P.S. I'd be remiss in not letting you know about a significant price jump in SuperConference registration fees (\$500!) also taking place tomorrow at Midnight. We're down to the wire for this event, both in terms of timing and availability – it's nearing capacity as we speak.

PLEASE NOTE: GKIC stands **SOLIDLY** behind SuperConference by offering the most “eliminate-all-risk” guarantee in the industry:

- Come to the event.
- Experience all 3 days from start to finish.
- If you're still not overwhelmed by the value, let them know what you think's fair... which includes full refund AND up to \$500 in documented travel expenses.

If you're truly serious about venturing into the “forbidden lands” of joyfully unrepentant prosperity and success in 2015, then this should be a no-brainer.
